

KLEVELAND – Male, 5 yrs old

This lovely lad has a fantastic temperament and absolutely adores people. He's affectionate, friendly, loves a fuss, and really enjoys being around his humans. In fact, he loves company so much that he struggles being left alone, so he's looking for a home where somebody is around most of the time.

A retired home or somebody with a very stable long-term routine would be ideal for him, as he will need owners committed to helping him feel safe and secure rather than suddenly expecting him to cope with being left for long periods later in life.

KLEVELAND's ideal home:

- Can live with **children 5+**
- Can live with a **neutered female** dog
- No male dogs** please - he's not a fan
- Someone home most of the time**
- Secure garden** and owners aware he can jump/climb if motivated

He's a bigger boy with an even bigger heart and really just wants love, companionship, and somewhere to properly settle.

Currently in Essex - Homes in the surrounding areas or willing to travel will be prioritised	
Adoption	fee: £350
