

DOG AT A GLANCE

Dog's name: Assisi Gender: Male	Breed: French Bulldog
Colour: Brindle	Age: 6.5 Years Old
Neutered: No	Medical needs: None
Can live with other dogs? Yes, neutered female	Can live with cats? Untested, so no
Can live with children? Older only	Preferred age of children? 12 Years+
Any additional training needs: Nothing – he is the full package. Cuddle him, kiss him, rub his belly – he is absolutely divine!	Type of home needed: Any! Not with young children or cats because he hasn't been around them previously. He does like to have a lady-friend who will cuddle him though, and he is a bit of a soppy thing, so looks to another dog for confidence. He really is a joy and settles anywhere that he can get a fuss. We simply don't have enough superlatives to describe this very handsome boy!
If the fosterer decides to adopt this dog at the end of the foster period, the fee will be:	£350
