<p>Any additional training needs:</p> <p>You will have seen the updates of this beautiful little girl who came in from the dog pound, saved from the unthinkable. Skinny and smelly, but friendly, affectionate and keen to be loved and please.</p> <p>Just search her name to see her updates</p>	<p>Type of home needed:</p> <p>Absolutely any really – she could be an only dog or live with a buddy. She is so easy, very calm, relaxed (now) and easy to love and live with. We really want her to settle and out her previous life well behind her and enjoy the love she deserves.</p> <p>She could be an older person's companion dog, or part of an older family. Just a wonderful little lady.</p>
