

## DOG AT A GLANCE

|   |   |
|---|---|
| <b>Dog's name: Dymphna</b><br><b>Gender: Female</b>   | <b>Breed: French Bulldog X SBT</b><br><b>(maybe?) - She has a tail!</b>   |
| <b>Colour: Cream</b>  | <b>Age: Approx 18 Months Old</b>  |
| <b>Neutered: No</b>   | <b>Medical needs: None</b>  |
| <b>Can live with other dogs?</b><br><b>Yes, definitely benefits from a gentle male companion (neutered)</b>   | <b>Can live with cats?</b><br><b>Untested, so no.</b>   |
| <b>Can live with children?</b><br><b>No - they terrify her</b>  | <b>Preferred age of children?</b><br><b>16+ Years</b>   |
| <b>Any additional training needs:</b><br><b>Back to basics for this girl and in super-slow time, please.</b><br><br><b>She is not aggressive, preferring 'flight' to 'fight' but she has had a very bad time, so this is understandable. She is very 'hand-shy' so we can only assume that she has been on the receiving end of some that were not kindly used.</b><br><br><b>We need a calm, gentle home who won't rush her but will encourage her and let her go to them in her time.</b> | <b>Type of home needed:</b><br><b>It will be quite a specific home: A neutered male dog will help her, she takes confidence from the male in her temporary home, and it is highly unlikely that she is neutered and we don't know her cycle for seasons.</b><br><br><b>We have been told she is not keen on children - they may have been her antagonists in her previous life, so no children under 16 years of age please, without exception. The ability to separate her from visiting children is acceptable.</b><br><br><b>She is very cautious around men. Again, this could be due to unpleasant experiences previously, so we need a home with no men or a gentle and patient one. Big, burly blokes may scare her, sorry 😞</b> |
| <b>If the fosterer decides to adopt this dog at the end of the foster period, the fee will be:</b>  | <b>£450</b>   |
