

Joubert – Female, 18 months old

JOUBERT is looking for her forever sofa

Joubert is a lovely 18-month-old girl with so much love to give. This affectionate little lady has settled beautifully in foster care and shown just how wonderful she can be in the right home.

At home, Joubert is a dream

- Extremely affectionate and loves a cuddle
- Beautiful manners around the house
- Clean overnight with no accidents
- Loves playing with toys, especially tennis balls
- Very adaptable and easy-going

Dog friendly Joubert has thrived living with a resident dog and absolutely loves snuggling up with him at bedtime. We feel she would benefit from living with a calm, confident dog, ideally a **neutered male**, although slow and sensible introductions will be essential. She can be a little nervous when first meeting other dogs, but once she feels comfortable she soon comes around.

Training & walks Joubert has made fantastic progress with her lead walking and is learning all the time. She walks well on both a collar and harness and is showing improvement around passing cars. She can still find birds exciting and may react when surprised by other dogs or cats, so she will need an adopter who is committed to continuing her training and building her confidence.

Bright and eager to learn This clever girl picks things up quickly and is already adding new tricks to her repertoire. She loves treats and enjoys learning, making her a rewarding dog to work with.

Her ideal home

- More rural or quieter location preferred
- Calm, understanding owners willing to continue her training
- Can live with a calm resident dog (neutered male preferred)
- No cats in the home
- Secure garden without visiting cats where possible

Joubert is a sensitive soul who just needs someone prepared to guide her and continue the brilliant progress she's already made. In return, you'll get a loyal, loving companion who adores cuddles and will be your biggest fan.

- Adoption fee £450
- Currently located in the East of England
